

**HOPE FOR THE FUTURE*****“Read Ephesians 3:14-19 & Psalm 37:3-5”***

“We have been blessed with 366 days in the year 2020, and here we stand on the brink of 2021. Reflecting on the past year, we see those moments of joy and sadness, excitement and pain, and we know that our Lord Jesus has been with us in each and every one of them. In Psalm 37” [see the verses on the green calendar!] “David offers us God’s way to the best year yet. Did you notice the verbs? Trust. Do. Dwell. Befriend. Delight. Commit. Even more important: notice the prepositional phrases – “in the Lord,” “to the Lord,” “in Him.”

Our hope for a new year does not lie in our own plans or our own routine. Our almighty, loving God has already secured our eternal future and will care for us in the day-to-day activities of 2021. He has far more abundant plans for our lives than we could ever ask or imagine.”

***O eternal Father, thank You for the blessings of the year past.  
We ask You to be our guide in the year to come.  
In Jesus’ name. Amen.***

## HOSPITAL VISITATION

If you or someone you know is hospitalized (or will be), PLEASE notify the Church Office. Depending on the health situation, we may have some coverage for our members' needs, so please make sure to get information to our church office.

## WOMEN OF BETHANY

Thanks to the thoughtfulness of our Women of Bethany, there were many delicious cookies and warm Christmas thoughts delivered to some of our shut-ins! Our thanks goes out to everyone who donated cookies, assisted with preparing and packing them, and those who delivered them to our Shut-Ins. Your gifts have been greatly appreciated!

## NEED A COAT, TAKE ONE; HAVE A COAT, LEAVE ONE

As winter is almost upon us, our special donation coat rack needs some help! If you have a coat (or many!) for which you no longer need, please consider adding to our supply. We are accepting children's and adult's sizes; we also have a bin for hats, mittens, scarves, and gloves. If you know anyone in need of a coat or jacket, please remind them of our supply. It is a beautiful way of sharing care, by keeping others warm and dry!

## EQUIPMENT AVAILABLE

Equipment is always available to borrow during recovering from surgery and for those who may be experiencing difficulties. We have walkers, canes, equipment for the bathtub and commode are all available. Please tell a staff member if you have a need!

## PROJECT LINUS & SHEPHERD OF THE STREETS

We are still sharing our knitting, crocheting, and quilting gifts with others by making blankets of all sizes (baby, children, adult) for those with cancer or going through traumatic experiences at hospitals. You may bring these items to the Church Office. We are also collecting winter hats, gloves, and scarves to share with the Shepherd of the streets.

A huge *Thank You* goes out to those who have been filling up the box in the office with wonderfully warm, knitted hats in all sizes that will go to keeping many people warm this winter!

## QUILTING NEWS:

QUILT WINNER - On Dec.13th the drawing for the quilt was held. Congratulations to Flip Oechler who was the winning recipient! The quilters want to say a big "thank you" to all who participated to help keep things going. A total of \$335 in ticket sales will keep us going for some time and maybe contribute towards the shipping cost for LWR quilts estimated at only \$2.25 per quilt!

As many know the group of quilters and crafters was a much bigger group in years past. There are 3 of us now. Fabric and thread that remains is often no longer usable because of how old it is. Things are not cheap to buy good quality supplies. Our 2 working sewing machines need routine service approximately every year, costing almost \$100. With your donations of cotton sheets we are able to make the backs at no cost. We continue to work on Linus Blankets, etc as well.

Please feel free to join us even if you don't feel you can "quilt" as there are other things to do like tying them or just laying out squares. Or if you knit, crochet or anything else and just want to have a place to do it at with the fellowship of others, consider joining us when you feel comfortable doing so. We are taking a break now like we normally would but may extend it a bit due to Covid concerns.

*Again a big thank you for your support!*
